About Kerone

KERONE now renowned name in serving specialized need of customers with best quality and economical process Heating /cooling and drying products, manufactured in high quality environment by well trained and qualified workforce(special purpose machineries) .

KERONE is pioneer in application and implementation engineering with its vast experience and team of professionals. KERONE is devoted to serve the industry to optimize their operations both economically and environmentally with its specialized heating and drying solutions.

“Enhance the value of customer operation through our customer need centric engineering solution”

Mission

- To enhance the value of customer operation through our customer need centric engineering solution.
- We are committed to provide our customers, unique and best in class products in Industrial heating, drying and cooling segment, with strategic tie-up for the technical know-how with renowned leader in the industry specific segment.

Vision

- Turn into world leader in providing specialized, top-notch quality and ecological industrial heating, cooling and drying solution across the globe.
- To attain global recognition as best of quality and environment friendly engineering solution company.

Introduction to MFB Burner

Every Single gas infrared burner manufactured in KERONE is given exceptional interest and designed and customized as per the customer's process demand unlike off the shelf products, gas infrared burners designed and manufactured in KERONE are strictly adhering to the our ISO 9001-2008 compliant quality assurance process to check the reliability, sustainability and efficiency of gas infrared burners.

The high conversion efficiency, hasty heat transfer and low contaminant discharges are amongst the few of the reasons that gas infrared burners designed by KERONE are preferred over the others in market.

- MFB Burner
- Conveyorised Gas Infrared Ovens
- Gas IR Heating Systems For Preheating And Post Heating Of Seam Welds
- Gas Infrared Heating System/ Gas Surface Heating System
- Heating Systems For Paper Coating And Curings
